

EVALUATIVE REPORT OF THE DEPARTMENTS

TAMIL

(1) Faculty Profile

Name of the Teaching staff	Designation	Highest Qualification	Experience			Age	Sex
Dr.P.Anuradha	HOD	Ph.D.	21	20	05	46	F
Tmt.M.S.Punathavathi	Associate Professor	M.Phil	17	15	04	42	F
Dr.VM.M.Andavar	Associate Professor	Ph.D	15	10	04	44	F
Mr.N.Palanisamy	Assistant Professor	M.Phil.	10	05	NIL	41	M
Ms.S.Vijayalakshmi	Assistant Professor	M.Phil	10	05	NIL	36	F
Dr.S.Uma	Assistant Professor	Ph.D.	10	05	02	40	F

(2) Student Profile

Course	Entry level competency	Socio-economic profile	Language Proficiency	Ancillary Subjects
B.A. Tamil	+2 (Any groups) – Tamil should be first language	As per reservation policy of Government of Tamilnadu the seats are being allocated as detailed below: OC – 31% BC – 27.5% BC (M) – 2.5% MBC – 20% SC – 15% SC (A) – 3% ST – 1% Special reservations to differently abled persons /Sportsmen/Ex-servicemen	Tamil	As per University syllabi
M.A. Tamil	Any UG degree (3 years) Preference for Tamil major	As stated above	Tamil	As stated above

3. Changes made in the courses or programs during the past two years and the contribution of the faculty to those changes

As per the resolutions passed in the academic council of the University of Madras, the Syndicate has approved the Choice Based Credit System at Under-graduate and Post-graduate levels from the academic year 2008-2009. Our staff members are occupying the membership in the academic bodies of the University of Madras and tendered their valuable suggestions in framing the syllabus under the said system to cope up with the modern needs.

4. Trends in the success and dropout rates of students during the past two years

Success

Year	% passed (Major)	1 st Class
2009-2010	60%	3
2010-2011	71%	4

Dropouts

Year	Dropouts %
2009-2010	3%
2010-2011	4%

5. Learning Resources of the Department

Library: The department has a big Library with a plenty of books and rare collections authored by eminent scholars. The library has easy access with the library of the University of Madras and Archives for reference purposes.

Computer facilities: The department has a laboratory with 5 computers to facilitate the PG students for their regular use with internet facility.

Since the department of Tamil in our College is older than the University of Madras and the famous Tamil scholar Dr.Mu.Varadharasanar has started his career, the department has enviable links with leading authors and eminent scholars in the Tamil subject who are periodically visiting the College to deliver series of Guest Lectures/Special lectures to the students.

6. Modern Teaching methods practiced and use of ICT in teaching-learning

The teaching methods in the Department of Tamil such as lectures and references through blackboards guidance to access the leading websites for study materials and students are motivated for group discussions. Steps are being taken to integrate the ICT tools into teaching for this department.

7. Participation of teachers in academic and personal counseling of students

Our teachers are senior faculties in the University of Madras and they are delivering special lectures in various forums and engaged themselves in counseling the students who hails from under privileged sections of society.

8. Details of faculty development programmes and teachers who have been benefitted during the past two years.

As per the UGCs guidelines, the staff members are being deputed to attend the Refresher courses conducted by the University of Madras with the sponsorship of UGC. This has been facilitating the staff members to enrich their knowledge in various fields of activities.

9. Participation/contribution of teachers to the academic activities including teaching, consultancy and research.

The teachers are being motivated to participate various academic programmes such as seminars/conferences and encouraging them to involve in regular teaching, consultancy with regard to job oriented areas and socio-economic reforms and research activities. Their contributions through paper presentation and delivering of special lectures have been recorded in the RAR under appropriate pages.

10. Collaboration with other departments/institutions at the state, national and international levels and their outcome during the past two years.

Our senior faculties are being associated with various academic bodies in the leading Universities, autonomous colleges and institutions. Their contributions through paper presentation and delivering of special lectures have been recorded in the RAR under appropriate pages.

11. Priority areas for research and details of the ongoing projects, important and noteworthy publications of the faculty during past two years.

The project undergone by Dr.V.M.Muthu Rama Linga Andavar under the UGC XI plan period Minor Research has been submitted to the UGC and his contribution towards higher education has attracted the Government and he has been awarded with (Classical Tamil – Young Scientist Award). He has also been appreciated by the Chief Minister of Tamilnadu for his erudition in classical Tamil.

12. Placement record of the past students and the contribution of the departments who aid students' placement.

Leading companies have been invited by the placement wing of the College to recruit the students of various disciplines for the posts for which they are eligible. More than 50 students of the department have gained employment opportunity.

13. Plan of action of the department for the next five years.

Complete automation to access the Library.

To sign up MOU with leading Universities in India and abroad.

Introduction of Job Oriented courses

To conduct International seminar and a State level conference.

5. Learning Resources of the Department

Library: The department has a big Library with a plenty of books and rare collections authored by eminent scholars. The library has easy access with the library of the University of Madras and Archives for reference purposes.

Laboratory: The department has two big laboratories with latest equipments for the use of the students at UG/PG and Research levels.

Computer facilities: The department has a computer laboratory with 25 computers to facilitate the students for regular use with internet browsing.

6. Modern Teaching methods practiced and use of ICT in teaching-learning

The teaching methods in the Department such as lectures and references through blackboards guidance to access the leading websites for study materials and students are motivated for group discussions. Steps are being taken to integrate the ICT tools into teaching for this department.

7. Participation of teachers in academic and personal counseling of students

Our teachers are senior faculties in the University of Madras and they are delivering special lectures in various forums and engaged themselves in counseling the students who hails from under privileged sections of society.

8. Details of faculty development programmes and teachers who have been benefitted during the past two years.

As per the UGCs guidelines, the staff members are being deputed to attend the Refresher courses conducted by the University of Madras with the sponsorship of UGC. This has been facilitating the staff members to enrich their knowledge in various fields of activities.

9. Participation/contribution of teachers to the academic activities including teaching, consultancy and research.

The teachers are being motivated to participate in various academic programmes such as seminars/conferences and encouraging them to involve in regular teaching, consultancy with regard to job oriented areas and socio-economic reforms and research activities. Their contributions through paper presentation and delivering of special lectures have been recorded in the RAR under appropriate pages.

10. Collaboration with other departments/institutions at the state, national and international levels and their outcome during the past two years.

Our senior faculties are being associated with various academic bodies in the leading Universities, autonomous colleges and institutions. Their contributions through paper presentation and delivering of special lectures have been recorded in the RAR under appropriate pages.

11. Priority areas for research and details of the ongoing projects, important and noteworthy publications of the faculty during past two years.

The faculties of the departments are research guides for M.Phil. and Ph.D. programmes and proposals have been submitted to the UGC under XI plan period to undergo Minor / Major Research programmes.

12. Placement record of the past students and the contribution of the departments who aid students' placement.

Leading companies have been invited by the placement wing of the College to recruit the students of various disciplines for the posts for which they are eligible. More than 36 students of the department have gained employment opportunity.

13. Plan of action of the department for the next five years.

Complete automation to access the Library.

To sign up MOU with leading Universities in India and abroad.

Introduction of Job Oriented courses

To conduct a Seminar /conference

To introduce diploma courses at UG and PG levels as add-on courses
