EXECUTIVE SUMMARY

Enhancement, Excellence and Emancipation

Our Motto (Mens Agitat Molem) promulgates the Discipline and Hard Work. Our Institution is playing a vital role in driving away the darkness of the community around and sincerely fulfilling the task of educating the mass and strive to continue in educating the community wanting education to uplift them in the cadre which is hitherto denied curriculum them for lakh of opportunity. With this ultimate motto, we are striving for a society where men are always with an instinct of developing the society on the whole and not the home only.

We have framed our Aims and Objectives in such a way by putting the student, the society and the country at the centre that they all achieve progress and development and live in a cultured civilization. So, as the following criteria are concerned, we have been striving hard to achieve the progress of above mentioned three units by utilizing whatever material (physical, educational and spiritual) we have.

The College had been established with the help of philanthropic donors during British Empire. The distinguished alumni of the College have occupied very high positions in all walks of life especially in the fields of academic, administration, judiciary and politics. The College is a towering leader in the field of higher education catering to the educational needs of poor, socially deprived, under privileged, down trodden, economically weaker, backward and most backward sections of society.

The College has had good fortune of deeply dedicated and committed faculty who has been instrumental in building up the academic activities.

The College is affiliated to the University of Madras offering a plethora of courses at Under-graduate and Post-graduate level and research leading to M.Phil. and Ph.D. programs. Thus, this institution has become an educational sanctuary doing yeoman service in the field of higher education to the society for the past more than 170 years.

The students and staff are being motivated to attend conferences, seminars, orientation / refresher courses for the updation of knowledge. We always take care of enriching our library with more reference and literary books. The admission of students is being carried out as per the guidelines of the Director of Collegiate Education and the University of Madras. The communal reservation is being followed scrupulously with an intention to provide the opportunity to all sections of society. While recruiting the staff we meticulously follow the conditions of qualifications prescribed by the UGC.

Additional information and knowledge is given to the students by arranging guest lectures and study tours. Revision and remedial classes are conducted regularly and consultancies are offered for the academic progress by our teachers for all the time. As the evaluation aspect goes, we conduct tests apart from university scheduled evaluation programmes. We don't neglect the part of the value-education which is imparted through regular class-teachings and functions.

The aim of education is perfection for which we know that research is necessary; persuasion, motivation and inspiration are always there in this direction both from our Principal and the Management. The same is the objective behind conducting conferences and seminars both on classroom and college levels. Our staff members have remained busy and interested in research work through Major /Minor, M. Phil., Ph.D., etc. We inspire the publication of research articles and

books. We extend our consultancy services in and outside the college quite free of cost. Our Management and teachers are directly related to NGOs and profound extension services are provided to the society through the activities conducted by our Students' Council, NSS, NCC, YRC and Fine Arts Association.

Educating the society is a noble cause for which our Management is a devoted unit has made available almost all infrastructural facilities in the college campus which encompasses near about 33 acres land having beautiful green campus in the heart of city. The noteworthy contributions of the faculties and the management have facilitated the College to improve its wings of activities to cope up with the latest educational scenario and placement obligations to the students.

Our Physical Education Department has three big play grounds in the campus and our students are enrolling themselves in various sports/games/athletes activities and brought laurels to the College at intercollegiate, inter-state, inter-university and national levels. Through, their enthusiastic participation in various activities they are easily getting placement opportunities in leading companies.
